

## **The State University of New York at Cobleskill (SUNY Cobleskill)**

### **Athletics Partners Program**

SUNY Cobleskill Athletics, known as the Fighting Tigers, is home to 20 varsity sports teams, 17 of which compete in the NCAA's Division III. Since joining the NCAA in 2008, the Fighting Tigers have earned over 20 conference championships. Our teams continue to excel on and off the playing fields, and spread the name and values of SUNY Cobleskill wherever they go. Fighting Tiger's athletes are recruited from across the country and internationally. Our teams travel throughout the northeast, across the country, and at times internationally.

Additionally, we provide a wide range of programs not only to all SUNY Cobleskill students and staff, but to the greater community as well. Students are encouraged to get out into the natural beauty of our campus and surrounding area, and given the opportunity to participate in countless activities ranging from intramural sports to fitness classes. Beyond this, we make our extensive facilities available to external organizations for events such as summer camps and tournaments.

By becoming a partner and supporter of SUNY Cobleskill Athletics through the SUNY Cobleskill Foundation, you will help not only our outstanding student-athletes, but also the greater community. As a supporter, you will be prominently featured at college athletics' and community events on campus, online, and on social media channels.

For example, you will be featured:

- At over 100 home games every year
- To our student athletes
- To visiting teams
- To parents, families, coaches, and spectators
- To local clubs
- To recreational teams
- At regional high school championship games and tournaments
- To students and staff using the athletics facilities every day
- To intramural and club sports

**As a partner, you will receive recognition in and on one or more of the following**

<b>Venue</b>	<b>Uses</b>
