

Transfer Articulation Agreement
between
STATE UNIVERSITY OF NEW YORK
COLLEGE OF AGRICULTURE AND TECHNOLOGY AT COBLESKILL
and
ADIRONDACK COMMUNITY COLLEGE

January 2022

This agreement establishes procedures to promote the easy transition of Associate degree graduates from Adirondack Community College (SUNY Adirondack) into baccalaureate degree programs at the State University of New York College of Agriculture and Technology at Cobleskill (SUNY Cobleskill).

Objectives of the Agreement

1. To provide a transfer path to qualified SUNY Adirondack graduates who want to enhance their education and careers by pursuing a bachelor's degree.
2. To assist academic advisors with pertinent academic information for students who wish to continue their education in a bachelor degree program.
3. To attract qualified students to SUNY Adirondack and SUNY Cobleskill.
4. To facilitate communication and academic coordination between faculty and administrators at each institution regarding curriculum and the transferability of the courses.

Terms of the Agreement

1. Students from SUNY Adirondack, who complete the associate degree and have the courses outlined in the Addendums A - C, with a minimum 2.25 cumulative grade point average, will be guaranteed admission into the addendum's parallel bachelor degree at SUNY Cobleskill with full junior status.
2. Transfer students must complete and file the SUNY Admissions Application indicating transfer to SUNY Cobleskill prior to November 15 for spring semester entry, and prior to May 15 for fall semester entry.
3. All required and elective courses bearing the major field prefixes, must have C grades or better to be accepted for transfer credit.
4. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.

Review and Revision of the Agreement

This agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

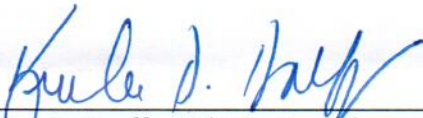

Termination

This agreement shall remain in force from January 2022, on which it is signed, until such time as either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any students enrolled the opportunity to be admitted to SUNY Cobleskill under its terms.

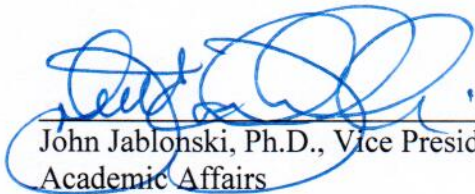

Effective Date and Signatures

This agreement will become effective January 2022, upon acceptance of Agreement with appropriate signatures.
