Objectives of the Agreement

1. To provide a transfer path to qualified Herkimer College graduates who want to enhance their education and careers by pursuing a bachelor's degree.
2. To assist academic advisors with pertinent academic information for students who wish to continue their education in a bachelor degree program.
3. To attract qualified students to Herkimer College and SUNY Cobleskill.
4. To facilitate communication and academic coordination between faculty and administrators at each institution regarding curriculum and the transferability of the courses.

Those using Addendum A, with the above, will enter with full junior status.

3. Major field and advisement option courses with grades of C or better and ENG 101 with a C- or better will be accepted for transfer credit.
4. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.
