ROCKLAND COMMUNITY COLLEGE**

December 2018

This agreement establishes procedures to promote the easy transition of Associate in Applied Science (A.A.S.) degree graduates in Graphic Design at Rockland Community College (RCC) to the Graphic Design Technology Bachelor of Science degree program at the State University of New York College at Cobleskill (SUNY Cobleskill).

Objectives of the Agreement

1. To provide a transfer path to qualified RCC graduates who want to enhance their education and careers by pursuing a bachelor's degree.
2. To assist academic advisors with pertinent academic information for students who wish to continue their education in an upper-division program.
3. To attract qualified students to RCC and SUNY Cobleskill.
4. To facilitate the exchange of information between faculty and administrators in order to improve this program and streamline the transfer process.

Terms of the Agreement

1. Students from RCC who complete the A.A.S. degree in Graphic Design and the courses outlined in the addendum, with a minimum 2.25 cumulative grade point average, will be guaranteed admission into the Graphic Design Technology BS degree at SUNY Cobleskill with full junior status.
2. Transfer students must complete and file the SUNY Admissions Application indicating transfer to SUNY Cobleskill prior to November 1 for spring semester entry and prior to May 15 for fall semester entry.
3. Major field courses and ENGL 101 must have a grade of C- or better to be accepted for transfer credit.
4. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.

Review and Revision of the Agreement

This agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

Termination

This articulation agreement shall remain in force from December 2018 until such time when either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any students enrolled the opportunity to be admitted to SUNY Cobleskill under its terms.
